Registration	8.45-8.50am
Morning Session	8.50-12.15pm
Lunchtime	12.15-1.00pm
Afternoon Session	1.00-3.05pm

This means a whole half term of learning is missed because children are 5 or 10 minutes late every day!

We are asking **you** to help us solve this problem. If you know your child is frequently late,

- * PLEASE set your alarm a little earlier
- * PLEASE help and encourage your child to be ready in time.
- * PLEASE see a member of staff as soon as you have concerns about your child's punctuality.

We know that most children are on time all of the time. If you have got a great idea to help us increase punctuality and decrease lateness please fill in the form below and hand in to the office.

I understand how important it is to get my child to school on time every day.

I make this happen by.....

I think the school could help more by.....
