Outwoods Primary School Newsletter

7th July 2017

Dear Parents/Carers

We would like to welcome you to the latest Outwoods newsletter. We find ourselves very close to the end of another very busy school year. This has been a very successful school year at Outwoods, we are extremely pleased with the progress made by our children, the assessment results reflect this, and of course we are delighted this was recognised by Ofsted in our recent report. The partnership between yourselves and the school has been key in this success and I would like to thank you for your support of the school, as without your support our children would not make the progress that they do. We would also like to send out a 'thank you' to everyone who was able to attend our recent sports day. The events were a great success, even though the weather did its best to spoil things on our initial dates! The children deserve a pat on the back for great effort, so well done to them all.

Mrs. Dandy

Important Notice - SCHOOL CLOSURE JULY 21st

I am sorry to inform you that due to unforeseen circumstances the school will now close for the summer break at the end of the school day on **Thursday 20th July**. Essential maintenance work is due to begin on Friday 21st July and this has brought about the change in dates. We apologise for any inconvenience, but must emphasise this was out of our control, we only had notice of this at 2pm yesterday. A whole new heating system is being installed over the summer and prior to this, builders and staff have to clear all work areas to gain access to pipes. Once again I apologise for this but it will be a 'race against time' to get all the work completed ready to open again on time in September. This has had a knock-on effect on the timing of some of the events planned for the last week of term - all dates and times are overleaf.

School Disco

On Tuesday 11th July there will be a school disco for all year groups from Reception through to Year 5. Please note that Year 6 are not included for this disco as they are due to have their separate prom event. The disco will take place in the upper school hall and entry will cost £2.50 per child, which will include a drink and a tuck bag. Extra snacks are available to buy.

Reception, Years 1 & 2	4.30pm until 6.00pm
Years 3, 4 & 5	6.30pm until 8.00pm

Children in year 2 can choose which disco that they attend and Nursery children are welcome at the earlier disco but their parents or carers may wish to stay.

Well done to all of our athletes who took part in the area sports at Belgrave Stadium on Wednesday. We came third overall, which is wonderful!
