

Dear Year 1

Thank you for letting us come into your class. We really liked watching you learn.

We thought you were enjoying your learning and were good learners.

This was best when:

- You were looking at Miss McGuire
- You joined in
- You were smiling and enjoying it
- Everyone enjoyed working together
- Lots of people put their hands up
- You listened to what your teacher said
- Tried your best
- Talked to a partner

Keep working hard!
